Note: As of this writing full event packages have not been received by USA Judo on all European “A” tour activities, so dates are projections, based on the IJF and EJU 2008 calendar. A \$100 non-refundable deposit will be charged to your credit card in order to hold your position. Any variations from the announced dates will be immediately provided by E-mail and Web postings on [www.USJudo.org](http://www.USJudo.org). Thirty days prior to the event the balance of the lodging, entry fees, etc. will be charged to your credit card. This is done so that USA Judo may wire the funds requested by the international federation.

Requests for tournament information have been made to all international federations involved by either fax or e-mail; however we have not at this writing received all tournament packages.

The day following each ranked athletes response date, an updated matrix, showing the events taken by each criteria athlete will be posted on the USA Judo Web site at [www.usjudo.org](http://www.usjudo.org), under Senior Competition Opportunities.

All elite athletes are asked to provide USA Judo’s National Office with an E-mail contact address. All athletes are reminded that participation according to your selection priority must be received by the above published deadline, and in writing, via e-mail to [travel@usajudo.us](mailto:travel@usajudo.us). The USA Judo National Office will likewise acknowledge confirmations, in writing, via e-mail.

All athletes must have paid all outstanding debts to USA Judo and be compliant with USADA regulations at the time of submission.
