2006 USA JUDO Senior National Championships

RULES

Injury Rule: The following rule was approved by the Board of Directors of USA Judo on October 22, 1998: Decisions as to whether an athlete may continue if injured while on the mat, are to be resolved in accordance with IJF rules; such decisions occurring off the mat or not covered by the IJF rules, are to be made by the coach, the athlete, and the Team Doctor. If there is not a unanimous opinion among these three individuals, the athlete **may not** continue.

Medical Examination Rule: Current IJF rules will be in effect.

Golden Score: The Golden Score (sudden victory) overtime rule will be in effect at these championships.

Draw: The draw will be conducted using USA Judo approved software. The draw will be random, with the restriction that players having the same State (Group B) affiliation will be placed as far apart in the bracket as possible. In addition, athletes in the Senior Shiai category will be seeded as described below.

Match Scheduling: The Texas Match Scheduling system will be used. Contestants will receive a card specifying their contest area number and match number. All contestants are expected to report to their assigned contest area 3 matches prior to their assigned match number.

Judogis: Blue and White Judogi are required for the Senior Shiai and Masters events. White Judogis only are required for the Kata event.

Senior Shiai Rules:

General: The Senior Shiai Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation. These rules include, but are not limited to draw, weigh-in, length of contests, and competition procedures.

Seeding of Athletes: Senior Shiai only: Athletes will be seeded in accordance with their listing on the National Roster maintained by USA Judo as follows: A (or B) side: #1 and #8 in one half, #5 and #4 in the other half. B (or A) side: #2 and #7 in one half; and #6 and #3 in the other half. Seeded athletes will be separated as far as possible in their sections of the draw and will receive byes if available. A higher seeded athlete will always receive a bye before a lower seeded athlete. Seeded athletes lose their State/Club affiliation for purposes of the draw, i.e. two athletes from the same state or club may meet in the first round if one is a seeded athlete.

Match Lengths: 5 minutes for men and women.

Masters Championships:

General: The Masters Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation with the following modifications: Match lengths will be 3 minutes for both men and women. Weigh-in will be on the day of check-in, Thursday, April 20, 2006, from 4:00 pm to **8:00 pm (NEW 3/15/2006)**.

Match Lengths: 3 minutes for men and women.

Masters may compete in only one weight division and the Open division.

Method of resolving uncontested Masters divisions: In the event that a Masters competitor is uncontested in his or her division, the following options are available, beginning with the oldest uncontested competitor and progressing to the youngest.

1. Remain uncontested.
2. Move down in age group, same weight until competition is found, **OR**
3. If an uncontested competitor must move down more than one age group in order to find competition, he or she may choose to move up in weight within their proper age group.

An Open Category (no weight limits) will be contested for each age group after the completion of the weight class competition. Entrants must submit an additional entry form and fee to enter the Open Category.

2006 USA JUDO Senior National Championships

Kata Championships:

The Kata Championships will be conducted in accordance with the current procedures of United States Judo, Inc. Entry rules are as follows:

1. A contestant may enter only one Kata Category once, i.e. cannot enter the same Kata Category with a different partner.
2. To qualify for the All-Around Category, the same Kata team contestants must enter and compete in all three Kata categories. The role of Uke and Tori may vary but the contestants must be the same.
3. There will be a mixed gender Kata Category **IN ADDITION** to the same gender category. One partner must be male, the other female.

A separate application and entry fee must be included for each Kata category entered.

METHOD OF COMPETITION

Senior Shiai and Masters

1. Categories having five (5) Competitors or less: Round Robin Pool (every competitor competes against every other competitor). The order of finish is determined by number of wins, then, if tied, by total points. If tied in wins and points, the winner of the head-to-head competition between the two who are still tied determines the winner. If three or more are still tied in wins and points for any place (first, second, or third), those contestants involved must contest again to determine the order of finish. Points are given to the winner only and shall be based on the highest single score of the winner, after factoring out scores that cancel out each other. Point values are: Ippon=10, Waza-ari=7, Yuko=5, Koka=3, Decision=1. If a contestant withdraws from a division prior to beginning his or her final match, the results of all that person's previous matches shall be discarded.
2. Categories having six (6) competitors or greater: Knockout System with Double Repechage (sometimes referred to as Crossover Repechage). Players are divided into two pools, A and B which are further subdivided into A1, A2, B1, B2. Determination of 1st and 2nd place: The "Knockout" (single elimination) system is then used to produce two finalists, one from pool A, the other from pool B, who will compete for 1st and 2nd place.
Determination of 3rd – 5th place: All contestants who were defeated by the winners of pools A1, A2, B1, and B2 (semi-finalists) will take part in the repechage of their respective pools in the order in which they were defeated. For example, for pool A1, the loser from Round 1 will meet the loser from Round 2; the winner of that match will meet the loser from Round 3, etc. The winner of repechage pool A1 will meet the winner of repechage pool A2; similarly for B1 and B2. The winner of the repechage pool A will meet the loser of the semi-final of knockout pool B. The winner of repechage pool B will meet the loser of the semi-final of knockout pool A. The winners (2) are placed 3rd, the losers (2) are placed 5th.

NOTICE OF POSSIBLE TESTING FOR BANNED SUBSTANCES
