Determination of Weight Category: Athletes are asked to make a **preliminary declaration** of weight on the entry form or at check-in/registration. METHOD OF COMPETITION

Play will progress in the winner's bracket in a single elimination format until one match remains (the "final" match.) The winner of the final match will be placed 1st; the loser of that match will be placed 2nd. All players who lose prior to the final match will be placed in the loser's bracket. The winner of the loser's bracket will be placed 3rd.

SEEDING OF ATHLETES, DRAW PROCEDURES, AND SCHEDULING

Seeding: The top four ranked athletes shall be seeded in accordance with their listing on the National Senior Elite Roster maintained by USA Judo as follows: #1 and #4 on one side; #2 and #3 on the opposite side. If any of the top 4 ranked athletes are not in attendance, the other athletes will be "moved up" accordingly, i.e. if #2 is not in attendance, #3 and #4 will be seeded as #2 and #3, respectively. Athletes ranked below #4 shall not be moved up. Seeded athletes will be separated as far as possible in their sections of the draw and will receive byes if available. A higher seeded athlete will always receive a bye before a lower seeded athlete. Seeded athletes lose their State/Club/School affiliation for purposes of the draw, i.e. two athletes from the same state, club, or school may meet in the first round if one is a seeded athlete. (Board approved April 17, 2003 – minutes corrected, October 10, 2003)

Draw: The draw will be conducted using USA Judo-approved software. After the seeded athletes are placed, the draw will be random, with the restriction that players having the same School affiliation will be placed as far apart in the bracket as possible.

Match Scheduling: The Texas Match Scheduling system will be used. Contestants will receive a card specifying their contest area number and match number. All contestants are expected to report to their assigned contest area 3 matches prior to their assigned match number.
