RULES

The Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation, and the rules and procedures of USA Judo. These rules include, but are not limited to draw, weigh-in, length of contests and competition procedures.

Determination of Weight Category: Athletes are asked to make a **preliminary declaration** of weight on the entry form or at check-in/registration. However, in this tournament the athlete's actual weight at weigh-in will determine the category of competition, i.e. the athlete does not have to “make” the declared weight.

Injury Rule: Decisions as to whether an athlete may continue if injured while on the mat are to be resolved in accordance with IJF rules. Such decisions occurring off the mat or not covered by the IJF rules are to be made by the coach, the athlete, and the team doctor. If there is not a unanimous opinion among these three individuals, the athlete **may not** continue (Board-approved on October 22, 1998).

Uniforms: FOR THE HIGH SCHOOL CATEGORIES the Blue and White Judo-gi rule **is in effect**. It is mandatory that the first athlete in each pair of contestants called wear a blue judo-gi, the other athlete must wear a white judo-gi. FOR THE MIDDLE SCHOOL CATEGORIES, the Blue and White Judo-gi rule **is recommended** but it is NOT mandatory.

Golden Score: The Golden Score (sudden victory) overtime rule will be in effect at this event.

Choking and Arm Bars: FOR THE HIGH SCHOOL CATEGORIES, both choking and arm bars will be allowed regardless of the age of the competitor, i.e. full IJF rules. FOR THE MIDDLE SCHOOL CATEGORIES, no arm bars will be allowed. Choking will be allowed only if both competitors are at least in the Juvenile A age category (Year of birth 1995 or before). Athletes who were born in 1995 or later will be marked as such on the draw sheets and shall be given a colored sash to indicate their age. In addition, athletes and coaches shall inform the officials when an athlete born 1995 or later is about to compete.

Match Times: MIDDLE SCHOOL: 3 minutes; HIGH SCHOOL: 5 minutes.

2007 USA Judo National High School and Middle School Judo Championships METHOD OF COMPETITION

Modified Double Elimination System with winner and loser's brackets will be used. Play will progress in the winner's bracket in a single elimination format until one match remains (the "final" match.) The winner of the final match will be placed 1st; the loser of that match will be placed 2nd. All players who lose prior to the final match will be placed in the loser's bracket. The winner of the loser's bracket will be placed 3rd.

SEEDING OF ATHLETES, DRAW PROCEDURES, AND SCHEDULING

Seeding: There will be **no seeding in the Middle School Event.** For the High School Event, the top 4 ranked athletes on the IJF Junior Roster shall be seeded; #1 and #4 on one side; #2 and #3 on the opposite side. If any of the top 4 ranked athletes are not in attendance, the other athletes will be "moved up" accordingly, i.e. if #2 is not in attendance, #3 and #4 will be seeded as #2 and #3, respectively. Athletes ranked below #4 shall not be moved up. Seeded athletes will be separated as far as possible in their sections of the draw and will receive byes if available. A higher seeded athlete will always receive a bye before a lower seeded athlete. Seeded athletes lose their State/Club/School affiliation for purposes of the draw, i.e. two athletes from the same state, club, or school may meet in the first round if one is a seeded athlete. . (Board approved April 17, 2003 – minutes corrected, October 10, 2003)

Draw: The draw will be conducted using USA Judo approved software. After the seeded athletes are placed, the draw will be random, with the restriction that players having the same Group B (State) affiliation will be placed as far apart in the bracket as possible.

Match Scheduling: The Texas Match Scheduling system will be used. Contestants will receive a card specifying their contest area number and match number. All contestants are expected to report to their assigned contest area 3 matches prior to their assigned match number.
