Senior E and Junior D level event:

Elite Point procedures:

This event is a USA Judo Senior-E and Junior-D level event. The **ONLY** divisions in which points can be earned are the highest SENIOR belt rank divisions. No points are awarded in JUNIOR-AGE divisions; ALL players who place 1st or 2nd will receive Senior E-level points. Junior-age athletes (born 1993 and later) who place 1st, 2nd, or 3rd in the highest SENIOR belt divisions will receive Junior, D-level points in addition to Senior points.

Restrictions: Players must win at least 1 match and be a citizen of the USA in order to receive points. In addition, after earning points, in order to be listed on USA Judo's national roster, a player must join USA Judo (if not already a member).

Seeding:

For the Senior E-level categories, the top 4 nationally ranked senior athletes will be seeded if they compete in the weight division in which they are ranked. #1 and #4 shall be placed on one side of the bracket; #2 and #3 shall be placed on the other side. The seeding order shall be in the order of the byes, i.e., if there is 1 bye, #1 shall get it; if there are 2 byes, #'s 1 and 2 shall get them, etc. If any of the top 4 nationally ranked athletes are not in attendance, athletes ranked #5 and below SHALL NOT be seeded, i.e., "moved up" to the next higher seed position.

Rules for senior E-/Junior D-level divisions:

1. IJF contest rules shall be used, including "Golden Score" overtime.
2. Players may compete in only 1 division.
3. Players must compete in the weight category that conforms to their measured weight at weigh-in. Example: A player competing in the 81 kg division must weigh over 73 kg and less than or equal to 81 kg. **EXCEPTION:** The Male 55 kg and Female 44 kg divisions are Pan American Judo Union (PJU) weights and not "Olympic" weights. Competitors whose measured weight would place them in a PJU weight division may choose to compete in the next higher weight division (Male 60 kg and Female 48 kg).
