

## Life Member Program Information

### The One Most Important Action You Can Take Today

is to invest in the future of our Judo athletes by helping them get a college education so they will become productive members of our society when their competition career is ended. The USA Judo Life Member fund has contributed thousands of dollars to eligible college athletes in the past few years. Every cent of the money you pay for Life Member dues is invested specifically for this purpose.

To be part of the best assistance program for Judo athletes, just complete the form below and include your payment. The full dues are a minimum of \$500, but you can start with a payment of just \$75.00 or more and make monthly payments of \$25.00 or more.

If you are sponsoring someone, be sure to put your name as sponsor. If you've been thinking about joining the elite list of Life Members, now is the time. It's the best investment you'll ever make.

I also understand that payment may be made in increments of a minimum of \$25 and that my USJI dues portion of my annual membership payment is required until my Life Membership is paid in full.
